Fall Bulky-Item Cleanup Event

On **October 8th**, El Cajon residents may dispose of unwanted items such as broken appliances, water heaters, furniture, old mattresses (please wrap prior to setting out – special mattress disposal bags can be purchased at hardware stores, e.g., Home Depot, Lowe's, etc.), tree branches (must be tied into bundles and must not exceed 4' in length or 18" in diameter), and other miscellaneous household bulky items. **Debris from contractors, landscapers or commercial businesses will NOT be accepted.**

Unwanted electronics will also be collected, including TVs, computer monitors, printers, fax machines, VCRs, DVD players, cell phones, and answering machines. Please, no Household Hazardous Waste (HHW) material, household appliances, or trash. Such items will not be accepted at this event.

Free Mulch! Also available will be free mulch for City of El Cajon residents (while supplies last). This is a self-serve, self-loading, and self-haul service, so please bring your own cans/bags, gloves, and shovel—there is a limit of 3 cans/bags per vehicle. If you plan to haul your mulch in an open truck or trailer, please remember to bring a tarp to cover your material.

Organics Recycling Reminder

Place recyclable organics directly into your designated green cart. Do not use any kind of plastic bags (including certified compostable or biodegradable bags) for any type of green waste, food waste, or other organics collection or disposal, as they contaminate the Anaerobic Digester! All organic material must be placed loosely inside the green cart for collection. Paper bags are acceptable.

DO YOU NEED ADDITIONAL GREEN CARTS?

Two additional green carts are available at no extra cost. Residents requiring a fourth green cart or more may request additional carts for a nominal monthly fee.

Prescription Drug Take-Back Day is October 29, 2022

The Drug Enforcement Administration (DEA) has scheduled another National Prescription Drug Take-Back Day which will take place on **Saturday, October 29, 2022**. This is a great opportunity for those who have accumulated unwanted, unused prescription drugs, to safely dispose of those medications.

In addition to collection receptacles at most sheriff's stations, mail-back packages, and take-back events, safe medication disposal units are located at pharmacy locations across Southern California. To find a safe medication disposal unit, visit <https://safe.pharmacy/drug-disposal/>
